CHAIRMAN DESK

Dear Students,

It gives me immense pleasure in welcoming you to Spandan School & College of Nursing. Now it's the time to select your career. Be bold and thoughtful while selecting it. Your present decision determines the future of your life.

Higher education is the touchstone by which the progress of a nation is measured in today's times. Today, the society, the academia and the industry need to stand together and share their commitment, enthusiasm and expertise in order to create a responsible, progressive and skilled citizenry.

Whenever education comes to my mind, the following quote always comes together

"The whole purpose of education is to turn mirrors into windows",

It is our fervent hope that the years you spend in Spandan School & College of Nursing (SIN) would enable you to enhance your knowledge, skill, and attitude to qualify as competent nurse today's highly competitive and health-conscious society. We ensure that our students step out after the course as confident Nursing professionals.

"You don't have to be great to start but you have to start to be great".

CAREER IN GNM NURSING

Your Trained Nurses help people in every walk of life. Mostly we see Nurses working in Hospital setting giving care to ill patients. However, from world wide experience, it is seen that in nursing, career can take many forms apart from working in a hospital that includes work in doctor's chambers, clinics, schools, prisons, corporate houses, insurance companies, home nursing and counselling amongst others. Nurses help individuals from before birth to the time of death, and even help family members cope with the loss of a loved one after death.

Nurses are there for almost every imaginable situation involving the health or illness of a person. After completion of a Diploma level programme, a competent student may pursue graduate, post graduate and doctorate level courses in a variety of clinical and social disciplines.

For SC / ST/ OBC Category Students eligibility as per W.B.N.C norms.

ANTI RAGGING CELL

Spandan School & College of Nursing maintains a healthy and congenial academic environment for the students. The institution offers protection to the new entrants from the menace of ragging. In this regard our Institute has constituted an Anti-Ragging Cell. The cell is headed by Head of the institution, along with several other committee members comprising of senior faculties. Anti-Ragging Squad members and Anti Ragging Bus In charges have been deputed from all departments to monitor students discipline both inside the campus and on board.

Anti-ragging Committee Role & Responsibilities

1. To secure almost all areas in the college (i.e. canteen, parking places, different blocks, play grounds etc.) and ensure that at least one faculty member is present at a particular time at all locations to avoid ragging.
2. To take precautions to avoid ragging activities at other locations like bus stops and give instructions to appoint student volunteers & secret informers at various boarding points.
3. To conduct anti-ragging campaigns in the form of Flexes, Posters and Boards in college premises and surrounding areas where there is a chance of ragging.
4. To associate with Grievances & Redressal committee and help in anti-ragging activities.
5. To conduct awareness programs on Anti -Ragging in the form of meetings and PPTs to the senior students, faculty & non-college personnel.
6. To conduct meeting whenever required and discuss relevant issues, in consultation with the Director seeking his approval

Procedure for lodging complaint

The students may feel free to put up a grievance in writing/or Email to the respective committee in charge. The Grievance Cell will act upon those cases which have been forwarded along with the necessary documents. The Grievance Cell will assure that the grievance has been properly solved in a stipulated time limit provided by the cell.
